\*Wins Tie Breaker

If teams are tied during the regular season, final standings will be decided in the following manner:  
-If two teams tie for a position in the standings whichever team defeated the other during the regular season will then receive the higher position in the standings.  
-If all teams that are tied have identical win/loss records against each other, then a run differential formula will be used.

If teams records are tied at the end of the regular season, final seedings will be decided in the following manner:

- If two teams records are tied in the standings, whichever team defeated the other during the regular season will then receive the higher position in the tournament seedings.
- If two teams that play in different leagues are tied in the standings, then a total runs formula will be used.
- If two or more teams are tied in the standings, then a total runs formula will be used.
